Corporate

Corporate

Our Corporate team combines technical expertise with commercial insight to deliver a full range of bespoke services to clients of all sizes, both in the UK and internationally.

Our experience has seen us work with clients ranging from start-up businesses and high-flying entrepreneurs, through to established public and private companies, foreign multinationals and their UK subsidiaries, family businesses, private equity firms and venture capitalists.

We give clients the support they need to realise their objectives, whether that means raising finance, expanding through merger, acquisition or joint venture, or divesting businesses. We also advise on all forms of commercial contracts across a wide range of industry sectors.

The team are able to provide an international service, helping clients with cross-border transactions and issues, including advising on inward investment and supporting overseas clients in establishing businesses in the UK.

Whatever the situation, our clients trust us to advise them, in what can often be time-sensitive and high-pressure situations, knowing that the services we provide are delivered efficiently and cost-effectively by teams that are committed to the success of the deal, and in which Partners always play a leading role. Above all, we strive to achieve your goals.
